

WHEATLEY HILL PARISH COUNCIL

Social Media and Electronic Communication Policy

The use of digital and social media and electronic communication enables the Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people it works with and serves.

The Council has a website, Facebook page, Twitter account and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur, this Policy will be updated to reflect the new arrangements.

Facebook and Twitter

The Council's Facebook page and Twitter account intends to provide information and updates regarding activities and opportunities within the Parish and promote our community positively.

However, we will endeavour to ensure that any emerging themes or helpful suggestions are passed to the relevant people or authorities. Please do not include personal/private information in your social media posts to us.

Sending a message/post via Facebook or Twitter will not be considered as contacting the Council for official purposes and we will not be obliged to monitor or respond to requests for information through

The Council's response to any communication received not meeting the above criteria will be to either ignore, inform the sender of our policy or send a brief response as appropriate. This will be at the Council's discretion based on the message received, given our limited resources available. Any information posted on the Facebook page not in line with the above criteria will be removed as quickly as practically possible. Repeat offenders will be blocked from the Facebook page. The Council may post a statement that 'A post breaching the Council's Social Media Policy has been removed'. The Council may, at its discretion, allow local groups to have a presence on its website for the purpose of presenting information about the group's activities. The Council reserves the right to remove any or all of a local group's information from the web site.

Parish Council email

The Clerk to the Council has their own Council email address: clerk.whpc@btinternet.com. The email account is monitored during office hours, Monday to Friday, and we aim to reply to all questions sent as soon as we can.

The Clerk is responsible for dealing with email received and passing on any relevant mail to Members or external agencies for information and/or action. All communications on behalf of the Council will usually come from the Clerk, and/or otherwise will always be copied to the Clerk.

Individual Councillors are at liberty to communicate directly with parishioners in relation to their own personal views, if appropriate, copy to the Clerk.

NB any emails copied to the Clerk become official and will be subject to The Freedom of Information Act.

These procedures will ensure that a complete and proper record of all correspondence is kept.

Do not forward personal information on to other people or groups outside of the Council, this includes names, addresses, email, IP addresses and cookie identifiers.

Members and the Clerk may use SMS as a convenient way to communicate at times. All are reminded that this policy also applies to such messages.

Video Conferencing e.g. Facetime/Skype

This policy also applies to the use of video conferencing.

Internal Communication and Access to Information within the Council

The Council is continually looking at ways to improve its working and the use of social media and electronic communications is a major factor in delivering improvement.

Councillors are expected to abide by the Code of Conduct and the Data Protection Act in all their work on behalf of the Council. As more and more information becomes available at the press of a button, it is vital that all information is treated sensitively and securely. Councillors are expected to maintain an awareness of the confidentiality of information that they have access to and not to share confidential information with anyone. Failure to properly observe confidentiality may be seen as a breach of the Council's Code of Conduct and will be dealt with through its prescribed procedures (at the extreme it may also involve a criminal investigation).
