

QUAD BIKES!!

What you can do if you see or hear a quad bike!

RING 101 immediately!

Wheatley Hill, Thornley and Wingate Parish Councils have funded DNA Sprays and have equipped Police Officers in these areas to deal with the issue.

You **DO NOT** have to give your personal details when you phone.

Simply say where the quad bike is, and as much information as you can.

Your Parish Council knows how distressing it can sometimes be to phone the Police. If you do not want to phone the Police yourself, please do not hesitate to contact one of your Councillors, County or Parish, and they will phone on your behalf.
