

large community capital grant

Our large community capital grant provides funding between £10,000 - £20,000, to support projects that help our customers to improve their lives.

we welcome applications from projects that:

- tackle inequalities as a result of Covid-19
- support employability, training, volunteering and upskilling
- increase household income
- improve health ,wellbeing and confidence
- support a greener, fairer future.

what does the grant support?

- capital costs
- setting up classes, activities or events
- travel costs which are integral to an activity
- buying equipment
- marketing and promotion
- equipment and resources to run a project.

Projects must include both capital and revenue elements and a minimum of 30% of beneficiaries need to be a believe housing tenant to satisfy the criteria.

who can apply?

- registered and exempt charities
- community groups
- schools
- social enterprises
- voluntary groups
- community interest companies
- town, parish or community councils.
- faith groups/venues.

how can I apply?
